

11TH ANNUAL Sustainable Business Awards

Gala

SPONSORSHIP OPPORTUNITIES

YOU CAN BE A SUSTAINABILITY HERO TOO

Help us honor local businesses doing great things for our community and the planet!

Many of the nominees are small businesses with dedicated resources for operating in a responsible manner. They are valued neighborhood establishments and community members. All of the nominees have devoted countless hours to protecting and preserving our natural resources and unique quality of life in Tampa Bay. Your sponsorship allows us to create a special evening to recognize their efforts and support their attendance at no cost.

When you support The Sustany® Foundation and this event, you are making a direct impact on the planet and the community. In addition to hosting the Sustainable Business Awards, we offer grants for local community gardens and various sustainability initiatives. We provide free resources to businesses and organizations interested in exploring or adopting more sustainable practices. 100% of the proceeds stay in the local community and contribute to protecting and preserving the unique environment we all call home, now and in the future.
