14th Annual Sustainable Buzz

Honoring our Sustainable Business Award Winners

November 10, 2022

6:00 pm to 9:00pm | VIP 5:30

Tampa Garden Club

VENDOR OPPORTUNITIES

The Sustainable Buzz is an annual food and wine festival that raises funds to benefit the Sustany Foundation while celebrating and showcasing sustainability in Tampa Bay. The Buzz features samples of food, craft brews, wines and specialty liquors from dozens of the area's top establishments. This year, we'll be honoring our **Sustainable Business Winners and Nominees**, our annual event recognizes businesses and organizations in the Tampa Bay area that are committed to making a positive impact on the planet. Since 2008, more than 150 businesses, impacting 1,000s, have received the award. From small local farms to large corporations, we honor their commitments to social responsibility and environmental stewardship.

Our vendors are the heart of the event. In addition to promoting an **Eat, Drink & Shop Local** culture, your participation supports local community programs such as our **Community Garden Grants, Sustainable Project Mini-Grants, Florida's Largest, single-day tree Planting**, outreach, education and more.

Show off your values! Put your brand in front of 700+ attendees who actively seek out local and environmentally responsible options when making decisions. Participating in this event is an opportunity to highlight your own practices and show your support for sustainable programs. Beyond the event, our traditional and social media campaigns reach over 4,000 customers.

THERE IS NO CHARGE TO BE A FOOD OR BEVERAGE VENDOR!
